

Recruitment Analyst Internship (MSc student with Portobello Institute)

Company:	ISM UK
Location:	Remote
Hours:	PT (worked around your study schedule)
Contract Type:	Unpaid Internship for the duration of the MSc
Duration:	October 2024 - August 2025

**** Please note the application of this position is not only for the internship with ISM UK but also for enrolment onto the MSc Sports Performance Analysis programme with Portobello Institute (Distance based programme).**

Company Background ISM UK:

At Inter Sports Management UK we are an athlete management and representation company based in the United Kingdom. We are the only sports management company who offer a full support network to those who utilise our services.

We offer the most complete support network to our clients to allow them to fully focus on their on the pitch performances. We take on all the off-field activities and no matter is too small for us to deal with.

Fees & Payment Options

Tuition and exam fee for Masters Programme: **€9,700**

Easy Payment Plan

Deposit of 30% upon acceptance of an offer of a place. Balance to be paid in 10 payments due on 1st of the month commencing the first month after the programme commences. Exam registration fees are included in the Easy Payment Plan.

Programme Background: MSc Sports Performance Analysis (Portobello Institute)

In collaboration with Liverpool John Moore's University (LJMU), Portobello Institute is excited to offer this MSc Sport Performance Analysis degree programme. In addition to being taught by active practitioners within this field, you will also have access to additional CPD opportunities, cutting edge technologies, networking opportunities and a host of employability enhancement activities. The successful completion of this programme alongside all the added extras that Portobello have to offer, will allow anyone who embarks on this journey with us, to be at the forefront of the discipline and create the opportunity to compete within the arena of Sport Performance Analysis.

ROLE PURPOSE:

- We are currently seeking to recruit 4 students who are interested in completing an unpaid internship with ISM alongside their studies at Portobello Institute on the MSc Sports Performance Analysis Programme.
- ISM are trying to find the best talent within the world of football and they need your help to try and find these players. Your role in this internship will include assessing player data, comparing player data and producing reports to highlight your findings. You will play a key role in the company decision making process as your insights will be utilised within the decisions of player representation. The specific analytical resources needed for this internship will be provided upon the successful recruitment of each student.

EXPERIENCE/QUALIFICATIONS REQUIRED BY ISM UK

- Thorough understanding of football (male and female)
- Interest in data analytics
- Proficient in English Language for producing reports
- Talent ID Level 1 or equivalent
- Willingness to attend online meetings (outside of business hours)
- Ability to use analysis software
- Proficiency with coding footage and preparing presentations
- Ability to effectively communicate with multiple audiences (agents, players)

ACADEMIC REQUIREMENTS AND EXPERIENCE REQUIRED BY PORTOBELLO INSTITUTE.

- Applicants will be required to have a minimum of a 2.2 (or equivalent) in a related subject discipline.
- All applicants must be able to demonstrate proficiency in the use of the English Language.

How to Apply?

In order to apply please send a CV and Cover Letter to **hannah.meade@portobelloinstitute.com**, ensuring that if not covered on your CV, the cover letter outlines how you meet the requirements stated above from both ISM UK and Portobello Institute.

Please add the following to the subject line '**MSc Internship Application**'.

Deadline for applications is **May 31st**.
